Report of the Secretary-General on the right to development

Note by the Secretariat

In its resolution 64/172, the General Assembly requested the Secretary-General to submit a report to it at its sixty-fifth session and an interim report to the Human Rights Council on the implementation of the resolution, including efforts undertaken at the national, regional and international levels in the promotion and realization of the right to development. According to established practice, and owing to the timing of the reporting cycle, the consolidated report of the Secretary-General and the United Nations High Commissioner for Human Rights on the right to development, contained in document A/HRC/15/24, is therefore being submitted to both the Human Rights Council and the General Assembly.
